Zachary's Art Contest 2011

Over 25 years ago, we started the bi-annual Zachary's Art Contest. Since then we have received thousands of submissions. Each piece and the artist behind it become a treasured part of our Zachary's family. Every contest brings something new and exciting for us and we know this year will be no different. We'll be looking for new **COLORFUL**, **BOLD** and **INNOVATIVE** pieces to adorn the walls at all 3 stores. The subject of the artwork should be Zachary's Chicago Pizza Inc. and include either our logo and/or name. You may use the medium of your choice but we recommend **VIBRANT**, **SATURATED** choices like paint, dark pastels or computer generated art. We will provide artists with paper which can be picked up at any store. Take a look around our restaurants for examples of winning entries.

exciting art contest news!

This year we will award \$1500 to one student per Zachary's location for their school's art department in addition to our winning prizes of one \$100 Zachary's gift certificate and two t-shirts.

Entries accepted from now through Sunday July 31, 2011

Tribute to Donna Aweeka Zachary's artist and Bay Area native

On March 10, 2011 our longtime customer and artist Donna Aweeka passed away. She and her husband Tony have been Zachary's Art Contest winners six times. We honor her life in these next few months by hanging their Zachary's art in our dining room at our Oakland location. She was a bright, sharp woman with a huge heart (and plenty of moxie!). We will miss her yet we are so lucky to have known her. We get to see Tony from time to time, who visits for a veggie slice, a good chat and hugs.
